1 QUILT LAYER

Indulge fibre layers include naturally breathable silk and wool topped with supple Belgian damask woven fabric for a cooler surface.

2 COMFORT LAYERS

One inch of exclusive SmartAlign Latex and PrimaSense Memory Foam work with three and a half inches of Premium Gel Foam comfort layers for a cooler, more luxurious sleep.

3 INTELLICOIL® MICRO HD

Our new IntelliCoil Micro HD layer is designed to stretch across the entire mattress for long-lasting support and push, yet conforming, comfort.

4 INTELLICOIL® ADVANCED

Our one-of-a-kind patented coil-in-coil innerspring is designed to support and cradle you with even more adaptive support for every type of sleeper.

5 AIRVENT SYSTEM

Ventilated PrecisionEdge works with eight external air vents to help prevent heat build-up in your mattress to promote an even cooler, more comfortable deep slumber throughout the night.
