

Warranty Schedule

STEARNS & FOSTER®

It's easy to determine the length of your warranty and it's terms. Simply match the Warranty Code from your mattress' law tag with the same code on this warranty schedule. Normal body indentation not associated with sag in foundation of less than 1½" for any Stearns & Foster mattresses.

The Stearns & Foster Certificate of Limited Warranty will cover body indentations that are greater than 1½". Please note that the measurements must be taken when no one is lying on the mattress.

Warranty Code on Law Tag	Period for no-charge* repair or replacement	Total Limited Warranty Period	Calculation of charges for repair or replacement beyond no-charge* period.
F3	10 Years	10 Years	No-charge coverage during total limited warranty period.†
F1	10 Years	20 Years	Divide your dealer's current retail price** by the Total Limited Warranty Period, then multiply by the number of years since your purchase. Round to the nearest whole year.†

Stearns & Foster reserves the right to substitute material of equal value.

* Except you are responsible for transportation costs.

** If the Stearns & Foster product purchased is no longer being manufactured, the current retail price will be determined by Stearns & Foster from a comparable product. Stearns & Foster has the sole discretion to determine which current retail price will be used.

† Your purchase is established from the date of your receipt.
