1 QUILT LAYER

Indulge fibre layers include naturally breathable silk and wool topped with supple Belgian damask woven fabric for a cooler surface.

2 COMFORT LAYER

Exclusive SmartAlign Latex and PrimaSense Foam work with four inches of Premium Gel Foam comfort layers to deliver an elevated feel.

3 INTELLICOIL® ADVANCED

Our one-of-a-kind patented coil-in-coil innerspring is designed to support and cradle you with even more adaptive support for every type of sleeper.

4 VENTED PRECISION EDGE

Innovative system of firmer coils offers better support than a hardened foam edge with improved breathability, bendability and durability.

5 AIRVENT SYSTEM

Ventilated coil systems work with four external air vents to help prevent heat build-up in your mattress to promote cool, comfortable deep slumber throughout the night.
